

# HOLLENBECK PALMS LOS ANGELES COMMUNITY COMPLIMENTARY PROGRAMS ANNUAL REPORT FOR 2014

As we review 2014, we want to thank and recognize the many groups, organizations, schools, and individuals who volunteered to provide free entertainment, educational programs, and assistance with special events. Because of their assistance, the Activity Department was able to offer a large variety of quality programs for all of our members living in Residential and Assisted Residential Living. The following is a partial list of volunteer programs and professional presentations this past year.
